### Highlights

Taking over as Superintendent has been a neat and rewarding experience. Highlights are covered with our goals and completion of those goals (see goals). However, other highlights have been the opportunity to work with the outstanding employees in the district, not only on a day-to-day basis, but also in the ongoing education process of PreK-12 students.

We have been, and will continue to be in a declining population mode, which in itself is not a highlight. However, the highlight has been everyone's effort to make cuts and corrections in our educational process a cooperative and positive experience.
